INTRODUCING... The "RE-LAUNCH" of the JCC

A Message from Our President:

Hello and welcome to our newly formatted newsletter. In an effort to help everyone have the ability to view and print our info, we have changed the style to more match most home printers! Our Board of Directors has changed since the last time we've published a newsletter. We have added the contact information for our board along with a picture of the faces to match the names! It is always easy to contact us. As always, leave a voicemail or text if we don't connect immediately.

In my Report:

Summer is here and we are in the midst of many outdoor events. (More on that in a minute) I want to personally offer my sincere thanks to all of the Volunteers, Donations and everything and everyone involved that made our Annual Rib Roast a huge success. To the Clubs that joined in the fun, we hope to see you back in coming years. You truly added to the fun event! Hoping you join in our monthly meeting to participate in deciding how we spend the profits in a way to help business and community! We meet the 2nd Thursday of every month. Call Miranne! She'll send you a copy of the agenda. You can even connect via Zoom!

Upcoming Events: (More details inside)

- 8/5-Back to School Bash Participation
- 8/25-Justice Annual Car Show
- 9/23-Octoberfest -Justice-Bridgeview Lions

We at the Chamber are proud to be involved with our supportive clubs, agencies and businesses. Sincerely,
Ron Patrick

LEARNING BUSINESS IN A "POST-COVID' WORLD

Like most other clubs and services, The Justice Chamber of Commerce silently celebrated 3 more years of existence this past year in May. We turned 25. "Kind of felt like a bear coming out of hibernation" said long term member Ray Heabel at our annual Rib Fest on May 20th! It's great to be out among the community again!

Along with learning to live safe, we all have learned new ways to survive, educate, communicate and be good neighbors in the community.

The members of the Chamber are proud to announce a new and **REFRESHING** goal of the Chamber:

Help our businesses become a highlight of the community!
